Record of updates

This District Plan may be the subject of a plan change(s) within the next 10 years of its life. These Plan Changes will be publicly notified. In order to ensure that your copy of the District Plan remains up to date, please -

1. Make sure the Planning Department of the Ashburton District Council has your contact details on its register of District Plan recipients. This will enable the Council to send you copies of the amended pages resulting from any future plan changes.

2. Use this page to maintain a record of all the plan changes you have received.
